Two quotes that we love
and which tell you all about us . . .

"We keep moving forward,
opening new doors
and doing new things
because we're curious
and curiosity keeps
leading us down
new paths."

- Walt Disney

"For us, we lift the veil
on outstanding organisation
& exceptional leader."

ABOUT US

Now in its 4th year, the prestigious Africa Human Resources Innovation Awards will celebrate the phenomenal work of HR practitioners, teams and organisations with the best HR practices.

We already know the HR works magic; be in conjuring the perfect portion of diversity, inclusion and equality or casting a spell of positivity throughout an entire workforce.

Often, this is done behind the scenes and without acknowledgement.

The 4th AHRIA will therefore celebrate the many achievements of organisations and individuals who have pushed the boundaries of people strategy over the last year, despite significant challenges of the pandemic. This is a chance for your HR heroes to shine in the spotlight.
